Keeping Secrets

I've been keeping secrets, and it's time to spill them.

On Valentine's Day I found out that HeartWork Organizing had been nominated for the Main Line Parent LOVE Awards. This is for

me and my whole staff. I very much admire this magazine, and would love for you to check them out this week. If I've ever helped you with tips, classes, or hands on work, please [vote by "liking" or "endorsing"](#) my business. You do have to register as a free digital subscriber, but I wouldn't ask you to do that if it wasn't such a good resource. You'll find a lot of other amazing problem-solvers on the LOVE Awards finalist list. Voting ends 3/14, so please click today. THANKS!

Something else I haven't had a chance to write about yet was the Habitat for Humanity WomenBuild day that I attended in January. I didn't mean to keep it a secret so long. If you ever have a chance to spend a day on a Habitat project, I urge you to do it!

Coming up quickly is the Just Between Friend- Western Main Line children's consignment sale. I've been tapped as their organizing expert, but I've been shopping this sale for years. I'm [sharing the inside scoop on JBF](#) for how to organize, sell, and earn cash. You don't have to sell in order to shop the sale and save hundreds on clothes, toys, sports gear and everything you need for baby. It's one of my biggest money-saving secrets. I'll even start you off with a money saving [coupon to JBF here](#). Shhh, it's only for my besties like you.

My last secret is really encouragement for you. For the New Year I joined a gym. Yes, it's cliché, but I've stuck with it for over 2 months now, and I feel fantastic. It's not about losing weight, but more about lifting my mood and

getting strong. It's also part of my organizing strategy, re-arranging my schedule to fit this in. I surf social media while riding the bike. I take exercises classes in the evening, and don't screw up with a mindless late night meal. I am sleeping better. So this secret isn't a shocker, but I'm sharing it because I want the same happy, strong, healthy options for you. I found a frugal gym for just \$20/month, and this is working for me. I finally rewarded myself with some new gym togs. Hopefully my journey will encourage you to do whatever you need to take good care of yourself.

Thanks again for [voting by "liking" or "endorsing"](#) us on Main Line Parent by 3/14!
