All I want for Christmas

Dear Santa,

You know that old tune, "All I want for Christmas is my two front teeth?" I only want one thing for Christmas, and it doesn't exactly fit under the tree.

Tomorrow I'm having foot surgery. A bunionectomy, to be precise.

And I'm kind of terrified.

I've prepared for this, turning my two-story house into a one-story safe zone. I've ordered several things, even a scooter, to help me get around while recovering. I've trained the children to empty *and load* the dishwasher. (That last one took some doing!) I've prepared my clients and my staff, and I'm grateful that business will continue. (I'll be doing a lot of photo organizing for clients in January.) Today I'll be doing the last grocery shopping for a while.

So, dear Santa, all I want for Christmas is a healthy new foot.

Thank you. And remember to dress warmly for your big ride! We'll have treats for the reindeer when you arrive.
