## *Stop Clutter Before It Starts*

*Be honest. Do you want to declutter more, or do you want to Stop Clutter Before it Starts?*

*Do you want to Save Money?  
(Right, I thought so.)*

*Are you happy with your daily routine, or are you trying to Simplify Your Life a little bit more every day?*

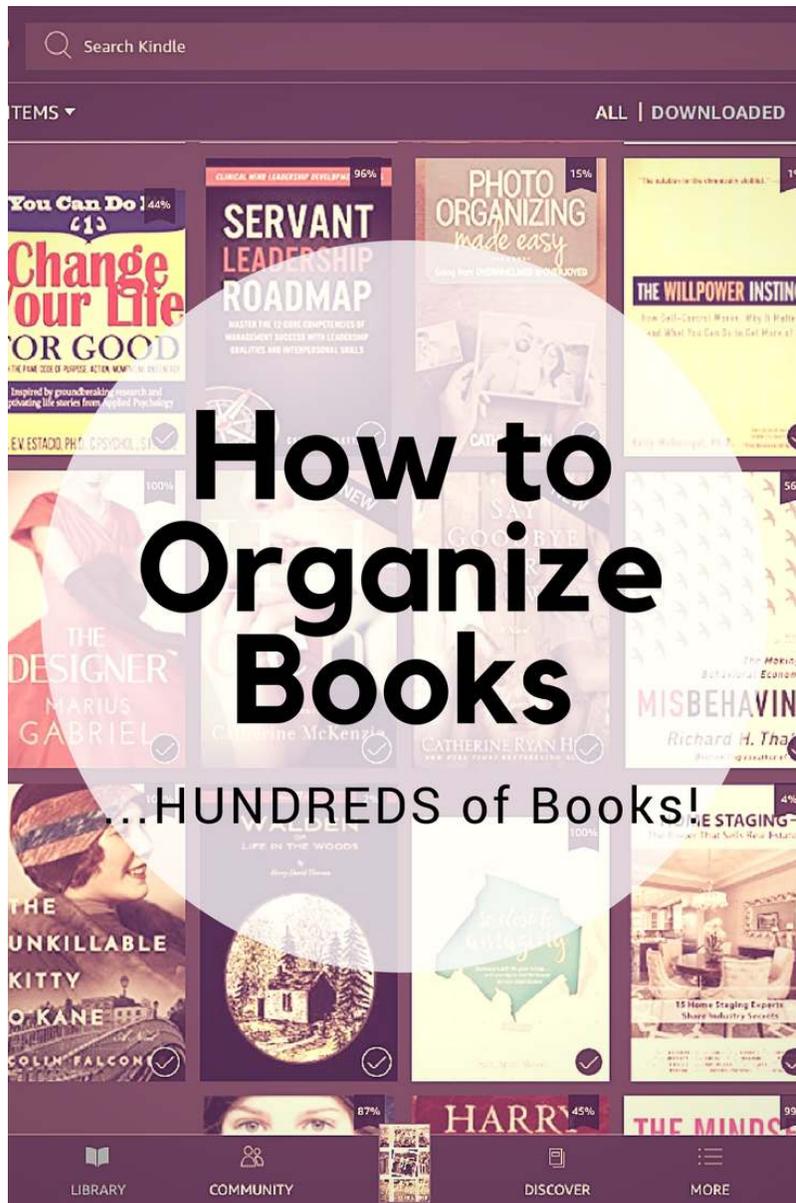

This five step system in my new book, the same system I've used with clients, will get you organized with your space and clutter, papers, your calendar, and even your finances. **Organizing Your Home with SORT and SUCCEED: Five Simple Steps to Stop Clutter Before it Starts, Save Money and Simplify Your Life** is on sale now in Kindle and paperback.

*There are no better endorsements than those from readers. Over and over, reviewers say they read the book and then immediately went and organized something. Yay! One reader shared that she organized her desk WITH her husband...and they didn't argue once. That is an #OrganizingWin!*

*Want immediate satisfaction? Come buy your copy at the the Philly Home and Garden Show on February 16-18. I'll be presenting at 1 pm on Saturday and noon on Sunday. **Please email me for event tickets**, free for my loyal readers. We're mailing them out today, to please get in touch right away.*
