Dear Barb,

I'll be honest, I almost blew off this month's newsletter. I've been having fun with clients and fun with summer activities with the kids. How about you? I'd love to hear if you've taken on any new projects.

But before I forget, the next clutter support group is fast approaching. If you struggle with the calendar, making time for things you really want to do, and keeping up with constant incoming information, please look to the left and register now. This small group setting is the best way I know of to taste-test our services, and to get some real and tangible support for your situation. But don't wait, because I keep the classes small to benefit you.

Enjoy this shortened newsletter. And remember...wear sunscreen.

Sincerely,
Darla DeMorrow, CPO® , owner

Color. Need I say more? Just a little. Just the right values. Just the ones that will highlight the stuff you already own. Improve the lighting. And a little shimmer never hurts. See for yourself.

Same furniture. Same rug. A whole new attitude. If the entry into your home isn't saying wow, please call me. We can help.
