## *Turn the Page to Get Organized*

---

Turn the Page. It's a New Year, and we're here to help you get more organized. THIS IS YOUR YEAR!

We publish a daily organizing article in January, to keep you motivated. Make the changes you want to make, and show off your progress in our private Facebook group. It's great fun to see what we are accomplishing together.

Need to get some tangible inspiration for your projects? The Philly Home Show has invited me to present on the main stage twice, January 12 and 19 at 7 pm. [Please email me for tickets](#), free for my loyal readers. We're mailing them out today, to please get in touch right away.

***SORT and Succeed*** (the book) will be available late January/early February in print and e-book. Response has been so great, I want to make sure all of my loyal newsletter readers have a chance [to grab the e-book for free, so please email me](#) before it is released to the public. This five step system, the same system I've used with clients, will get you organized with your space and clutter, papers, your calendar, and even your finances. I can't wait to share my new book with you.
