"Organizing Retreat"

This week is NAPO's annual conference outside of Chicago. It's in a retreat setting this year, but we work hard when we are there! Every year, I look forward to this chance to connect with the best in the industry, and bring great resources back to you. Watch my Instagram and Pinterest for pretty pictures of the retreat center campus in bloom and great ideas from my favorite organizing colleagues.

Here's something fun. ***I have one of the top 30 YouTube organizing channels on the planet!*** It was very scientific, I'm sure. Still, the other 29 folks are pretty great, many of them are friends of mine, with very clever ideas. If you haven't visited my channel lately, **come see what new videos are waiting for you.**

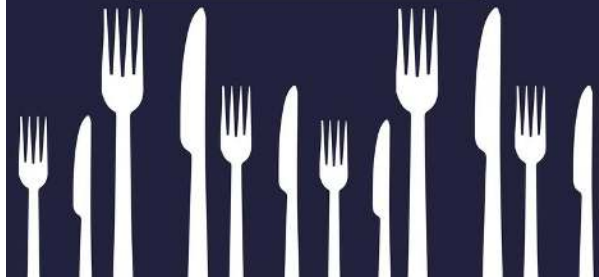

We have LOTS of upcoming events for you. I've listed some corporate and closed events, which you can always schedule for your own group. Just reach out to me by email, phone or carrier pigeon.

Are you still getting my weekly posts? We're always improving, but I'm afraid one of our recent changes might have stopped delivering regular weekly posts to you. If you think that is the case, could you **please drop me a line by clicking here?** Thanks!
